Dated 28.3.2012.

Subject:-Encashment of 10 days on account of LTC of Central Employees who are working in BSNL deemed Deputation basis.

Reference of Ministry of Communications, Department of Telecommunications U.O.No. 2-1/2009-Cash dated 18.1.2012 on the above mentioned subject and to say that the provision relating to payment of leave salary contribution by the borrowing authority recognizes the fact that it carries the liability for the leave accruing to the employees during the period of foreign service. The liability for the leave encashment in question would also therefore logically rest with the borrowing authority.

DOPT 1.D No.14028/2/2012-Estt.(L) dated 28th March, 2012

The liability will not doubt rest on borrowing organisation that liability is being fulfilled through leave salary contribution.
