Sub: Non-acceptance of premium / claim of Group Savings Linked Insurance Scheme for BSNL beneficiaries by the LIC – regarding.

Dear Sir,

This is to bring your kind notice that BSNL is having Group Insurance Policies for Employees with LIC under Group Savings Linked Insurance Scheme (GSLIS). BSNL has been making the remittances on timely manner so far, except for few instances where such remittances might have been delayed due to unavoidable operational reasons.

You must be aware that a large number of employees have taken VRS in January 2020 apart from regular retirements. While in most places, LIC has been discharging the saving portion for the GSLIS in favour of retirees; in other places, LIC denied either accepting remittances from BSNL citing delay or did not honour the employees claim to the saving fund portion of GSLIS.

The retired officials / VRS optees of BSNL are facing extreme hardship for non-receipt of saving amounts from the GSLI Policies upon completion of service. Now, BSNL unions have also raised the matter.

It is not out of place to mention that BSNL is having the Gratuity Trust Fund, Leave Encashment Fund and Superannuation Fund with LIC. BSNL has always preferred to keep funds with LIC. Keeping in view the continuous and robust business relationship, it is requested to kindly reinstate the policies (wherever they lapsed) and also release the payment to the retirees towards the savings portion of the GSLI Schemes. BSNL undertakes to pay the interest on delayed payments, as applicable.

It is requested to kindly advise your field officers in this regard in order to facilitate the payments to the retired employees expeditiously. A list of the policies as available readily with us centrally is also enclosed herewith.
