**No.12-5/2009-TE-I**

**Dated, 1st May 2009.**

**Subject: Renaming of T&D Circle as Inspection Circle.**

Consequent on the approval of the Competent authority, the T&D Circle is renamed as Inspection Circle. Further, following works, presently being performed by T&D Circle, are hereby transferred to QA Circle:

- (i) Issue of Engineering Instructions
- (ii) Process & Product improvement

2. Focus of Inspection Circle would be to ensure that network quality is maintained by technical audits. They will carry out A/T of the new installations as was being done earlier and inspection of existing networks focusing on important network parameters of switching and transmission systems at regular intervals and sample check of various Telecom installations.

Inspection Circle would also check the efficacy of the inspections carried out by the field units themselves.
