**Subject: Discrimination by Madhya Pradesh Telecom Circle in cancellation / change/retention of transfer orders issued by MP TC - regarding**

R/Sir,

We are constrained to bring to your kind notice the discriminative action by Madhya Pradesh Circle administration in cancellation / change/retention of transfer orders issued by MP TC.

2. In this regard, it is submitted that the requests of our members Shri P. K. Jha and Smt. Radha Mihani for posting in the places where their spouses are working have not been considered even after repeated representations by our circle Association. The fact that Shri P.K.Jha is our CWC member has also not been considered. On the other hand a number of orders modifying the initial place of posting have been issued to members of other associations on the ground of spouse working or on the ground that they are office-bearers of these associations.

3. We therefore request you to kindly intervene and advise Madhya Pradesh Circle administration to remove the discrimination against our members and thus render justice by posting them to the places where their spouses are working.

With kind regards,

Yours sincerely,

(Rakesh Sethi)  
General Secretary.
