Sub: **Surrender of BSNL MRS Card at the time of transfer - Problems of those joining new Circles on transfer**

Sir,

At the time of transfer from one circle to another circle, the officers on transfer are required to surrender their respective BSNLMRS Cards. Fresh cards are issued only after assuming charge at the new place after availing joining time. Normally it takes a few days to a few weeks for issue of the fresh cards. In the intervening period they do not have any MRS Card. This results in a difficult situation when they or their family member require admission in a hospital during such intervening period. They cannot get authorization letter from either of the circles.

In order to avoid such a situation, we suggest that the officers on transfer may be allowed to carry the MRS Card issued by the Circle from which they are transferred till the issue of fresh card by the Circle wherethey join. The old card may be collected while issuing the fresh card. Authorisation can be issued by the old circle till they get fresh card from the new circle of their posting.

We shall be thankful if suitable instructions are issued to all Circles/Units on this issue with a view to avoid difficulties faced by the officers on transfer.

With kind regards,

Yours sincerely,

  
(Rakesh Sethi)

General Secretary
