Subject: Diversion of MT quota vacancies to seniority cum fitness quota and filling up the STS vacancies in Accounts & Finance wing – reg

R/Sir,

The Management Trainee quota vacancies in respect of Telecom Operations wing have been earlier diverted to seniority cum fitness quota and filled up by promoting the eligible SDEs/Sr.SDEs. Now the Management Committee of BSNL has approved a proposal for diverting 50% of MT quota vacancies in respect of Telecom Operations to seniority cum fitness quota and the proposal is awaiting approval by the BSNL Board. This has been done on the valid reasoning that the process of recruiting Management Trainees is time consuming and it takes at least 3 years for regular appointment from the date of notification. It has become necessary to man the posts immediately due to huge shortage.

2 Similarly the process of recruiting Management Trainees in Accounts & Finance wing will also be lengthy and filling up the posts in the near future is not possible. We therefore request you to take up the issue with the Management Committee to divert 50% MT quota vacancies of Accounts & Finance wing to seniority cum fitness quota so that eligible AOs/Sr.AOs are promoted as CAO in the near future, paving way for filling the CAO vacancies as well as satisfying the aspiring and deserving AOs by promoting them.

With kind regards,

Yours sincerely,

(Rakesh Sethi)

General Secretary
