Sub: Limited Department Competitive Examination for promotion from JTO (Telecom) to SDE (Telecom) held on 15.7.2007 – Request for rechecking/re-totaling of marks of the candidates who have secured a few marks less than the qualifying marks.

Sir,

We would like to draw your attention to the fact that, after the results were declared for the Limited Departmental Competitive Examination for promotion from JTO (Telecom) to SDE (Telecom) held on 15.7.2007, huge number of vacancies remained unfilled due to sufficient number of candidates not securing the minimum qualifying marks. This happened during the previous LDCs also.

2. It is learnt that *many candidates who were declared unsuccessful had applied for and got the marks communicated to them. Many of them are reported to have secured just one or two marks short of the minimum qualifying marks in either of the papers. Some of them have obtained the Xerox copies of the answer sheets through RTI Act and have found wrong totaling, non-assignment of marks to answers marked right by the evaluator, awarding no marks for right answer etc.*

3. It is a matter of fact that there is urgent requirement of large number of SDEs in the field units in all Circles. If re-evaluation of the answer sheets of those who secured a few marks short of the qualifying marks is done, we believe that there is a possibility of large number of them being declared successful. This would be another way to correct unintended mistakes that has been committed by the evaluators in not awarding marks for right answers and totaling of the marks etc. This would not only help the helpless candidates but also would help meet the need of the field units. This is also a requirement now in view of revelation under RTI Act as stated above.

4. We would therefore request you to kindly do the needful for re-evaluation of the answer sheets of those who had secured a few marks short of the minimum qualifying marks.

With kind regards,

Yours sincerely,

(V.P.Arya)
General Secretary
