**Subject : Posting on promotion to SDE (T) grade under 33% competitive quota -
request for review of posting orders - reg**

R/Sir,

We are thankful that you have been very positive and helpful in modifying posting orders on promotion to SDE (T) grade under 33% competitive quota, to a large number of JTOs on consideration of various grounds like spouse working, female candidates, physically handicapped and on receipt of revised details of their present circle of posting.

2. We believe that representations from similarly placed JTOs are still under consideration and favorable orders will be issued shortly. There are two other categories of JTOs whose representations are to be considered for posting in the circle of their choice. One category is those who have already served in tenure circles and the other one is those who have only recently come on transfer to the present circle under Rule 8 after serving in other circles on their initial posting as JTOs. The requests of these JTOs for posting in the circle of their choice may also be favorably considered and modified orders may be issued.

3. We therefore request you to kindly cause review of such cases and issue of modified posting orders at the earliest, since vacancies are available in all Circles. We also request you to kindly cause extension of the last date for joining on promotion as SDEs.

With kind regards,

Yours sincerely,

(Rakesh Sethi)

General Secretary.
