Subject: Deputing to JTO Phase II training of those TTAs who were not sent along with others due to want of vigilance clearance – regarding

R/Madam,

We would like to draw your kind attention to a genuine grievance of TTAs who were not deputed for JTO Phase II training earlier along with others for want of vigilance clearance.

When all the TTAs were deputed for JTO Phase II training prior to their regular appointment as JTO following amendment to JTO RR, a few TTAs were not deputed for Phase II training for want of vigilance clearance either due to pendency of disciplinary proceedings or due to currency of punishment. According to DoP&T guidelines, such officials cannot be promoted during pendency of disciplinary proceedings or currency of punishment, but there is no bar for deputing for training.

But it is pathetic that some circles reportedly refuse to depute these TTAs for Phase II training even after completion of disciplinary proceedings/punishment, clubbing them along with other TTAs who had earlier refused to take Phase II training earlier for personal reasons.

We therefore request you to kindly cause issue of necessary instructions to all circles for deputing these TTAs in respect of whom there is no ground for withholding vigilance clearance at present, for Phase II training and appointing them as regular JTOs.

With kind regards,

Yours sincerely,

(Rakesh Sethi)
General Secretary
