Respected Sir,

Sub: Issue of Presidential directive for implementation of revised IDA
Pay scales for BSNL Executives – reg

We are extremely thankful for providing this opportunity to meet you and convey our grievance over delay in issue of Presidential directive by DoT, for implementation of revised IDA pay scales for BSNL Executives.

Although BSNL Board had approved a proposal for revised IDA scales for BSNL Executives as early as on 7.1.2009 and had sent to DoT for its concurrence and issue of Presidential directive, DoT is yet to issue it, giving room to so many speculations creating anxiety in the minds of BSNL Executives.

While BSNL has proposed only replacement pay scales for the existing scales without any improvement, the delay in issuing Presidential directive by DoT is quite unfortunate and uncalled-for. We request you to kindly intervene in this issue immediately and to cause issue of Presidential directive by DoT at the earliest, please.

With kind regards,

Yours sincerely,

(F.GUNASEKARAN)
