Subject: *Provision of drinking water in Offices in Eastern Courts – regarding.*

Sir,

We would like to draw your attention towards the fact that recently some offices of BSNL Corporate Office have been shifted to Eastern Courts Building and some more offices are likely to be shifted there in near future. However, there is no provision of safe drinking water in these offices located in the Eastern Courts Building. Hence the Officers and the officials working there are facing a lot of difficulties for drinking water during the office hours. They have to fetch drinking water either from their home or from the premises of Bharat Sanchar Bhawan. This has caused a lot of inconvenience for the Officers and officials working there. If this situation is let to be continued, it may also cause serious health hazards.

We, therefore, request to kindly take necessary steps to install RO system in Eastern Courts Building, so as to provide safe and pure drinking water to the Officers and officials of BSNL Corporate Office working in Eastern Courts Building. Till time, the RO systems are installed, bottled drinking water may be provided to the Officers and officials of BSNL Corporate Office working in the said building.

Thanking you,

Yours truly
